LEAD DEVELOPER

Psych Media · New York, New York · 2016 – present

Leading a small team of designers and developers to help businesses best represent their brands across all digital platforms. Execute high level design and development decisions and tasks.

GRAPHIC DESIGNER

Everlast Climbing · Minneapolis, Minnesota · 2014 – 2016

Working directly with the marketing manager to develop marketing campaigns and materials for the sales staff, online and social media campaigns, tradeshow, marketing collateral and catalogs.

GRAPHIC DESIGNER & WEB DEVELOPER

The Abstracted Gallery · Minneapolis, Minnesota · 2012 – 2014

Creatively developing marketing strategies to build gallery exposure and promote exhibitions and artists involved with the gallery. Building and maintaining a brand identity both with marketing collateral and in the physical space for the gallery and tailoring it to each exhibition.
